With the ever-increasing costs of raw materials and transportation Quattro Hygiene Group have developed a range of chemicals that are manufactured in the UK with a key focus on four main elements at the heart of the range

- The Environment
- Chemical Performance
- Cost In Use
- Simplicity for the operative

The Q-Eco Tab range offers a value-for-money concentrate, packed in water soluble film sachets.

Simply place a Tab in a 750ml bottle that is filled with water, screw on the trigger spray then shake the bottle to create the chemical.

Q-Eco Tabs reduces your

- ✓ Storage Space
- ✓ Manual Handling
- ✓ Plastic Waste
- ✓ Carbon Footprint

Q-eco

The Q-Eco Tab holds the Vegan Trademark, as issued by the Vegan Society. The Vegan Trademark helps people identify products that are free from animal ingredients.

The manufacturing of the Q-Eco Tab is Leaping Bunny Approved. This trademark shows consumers that the product is not tested on animals and is cruelty free.

Q-Eco Tabs are a Zero Waste product. There is no wastage in the use of Q-Eco Tabs and the packaging is fully recyclable.

Q-Eco Tabs are made in the UK and are concentrated, giving the Q-Eco Tab range a low carbon footprint.

‘The Q-Eco Tab System is an ethically sound range of everyday cleaning chemicals.’

GlassTab

Fast Acting Glass Cleaner

For use on glass, mirrors, stainless steel and all reflective surfaces

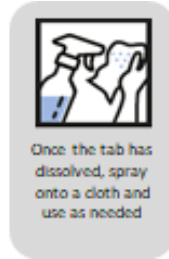

Uses

The Q-Eco GlassTab works with any clean cloth but for best results use a microfibre cloth.

Q-Eco GlassTab can be used on glass, mirrors, stainless steel, UPVC and any reflective surface.

Directions

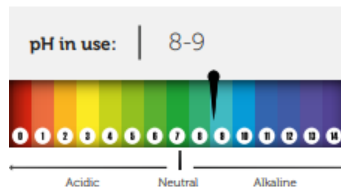

When diluted, Q-Eco GlassTab is classified as not hazardous. When not diluted, the powder is wrapped in a water-soluble film to protect the user from coming into contact with the powder.

Store the tabs in a dry area and keep them inside the packet until you need them. Only handle tabs with dry hands. If any tabs are damaged only handle them wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

POWDER ONLY	ONCE DILUTED
