

PRODUCT USE GUIDE FOR **DREUMEX PLUS** **DXY**

Product Description

A powerful hand cleansing gel for heavy soilings such as tar, paint, glue, lacquer, etc. Especially suitable for use in garages, workshops, the printing industry and the painting and decorating industry.

Product Features

- A safe, effective hand cleaner for use on all types of skin and is unlikely to cause any problems with dry hands or dermatitis.
- Will deal with a wide range of oils and greases, quickly and effectively.
- Melts rapidly under the influence of body heat and the liquid then easily penetrates the dirt and oils.

Direction for Use

- Apply a small amount of product to the hands and work in thoroughly using a rubbing action to loosen all oil and dirt residues and rinse away in warm water.
- Ensure hands are dried thoroughly after use.
- Severe soiling by fibre-glass resins, or dirt under the nails, may require the use of a brush.

Toxicological Information

- This product is formulated from cosmetic grade ingredients and is intended to be applied directly to the skin. If you are allergic to any of its ingredients, do not use this product. If any allergic reactions are suffered, discontinue use of this product immediately and seek medical advice.

Storage

- Store in cool conditions away from direct sources of heat
- Avoid extremes of temperature
- Do not allow to freeze
- Ensure the cap is tightly fitted after use
- Keep out of reach of children

Shelf Life

- Shelf life 30 months, if stored as recommended.
- Refer to product label for further storage details

Environmental Hazards

- Do not allow large quantities of neat product to enter surface waterways.
