Comet

Upright self-contained power brush carpet & upholstery cleaning machine

- The Comet is a low cost, self-contained carpet extraction cleaner with powerful brush agitation to clean carpets.
- It weighs only 18 kilos so it's light enough for anyone to handle, plus the compact body design and fold-down handle make it easy to transport and store.
- Remove two safety screws and the machine opens like a clamshell for fast service.
- The Comet is small enough to clean in tight spaces and corners yet powerful enough to perform well in any situation.
- A revolutionary bladder design eliminates the need to pour solution into the machine.
- Simply fill the bucket, set it on the machine, close the lid and begin cleaning.

FEATURES

- Patented self-adjusting, self-levelling brush.
- Optional hand / upholstery tool.
- Handle adjusts to operator height and folds down for easy storage.
- Patented lift-off bucket makes filling and emptying easy and convenient.
- See-through recovery dome.
- Side extension cleans right up to skirting boards.
- Upright vacuum motor and diaphragm pump for longer life.
- Free Training Voucher with this machine.
