

iVo PowerBrush XL

Effective and versatile portable multi-scrubber.

The iVo PowerBrush XL is fantastic for cleaning floors, stairs and walls and is designed to be used along with mop and bucket, to provide the scrubbing that is so often needed.

Designed to complement the original PowerBrush, the XL offers an extendable lance and rotating head to allow you to achieve enhanced detailed cleaning. Waterproof to the neck, the XL is also great for poolside cleaning.

Supplied as a full kit with 8 attachments, the XL is incredibly popular with thousands of cleaners.
