

# ELITE

## Traffic Lane Cleaner

**Express**  
**SOLUTIONS**®

**Effective soil & grease removal**  
**Professional formula - low odour**

**Product code**  
**2531**

### USES

Traffic Lane Cleaner is a professional, industrial strength detergent designed to break up high levels of soilage prior to the extraction cleaning process.

Effective against hardened and greasy soilage.

### DIRECTIONS

Vacuum the carpet before commencing any cleaning process.

Dilute 1 part Traffic Lane Cleaner to 20 parts of water.

Spray directly onto areas of heavy soilage. Allow up to 5 minutes contact time, then extract as part of the cleaning process using Elite Extraction Clean.

N.B. Do not use on alkali sensitive surfaces.

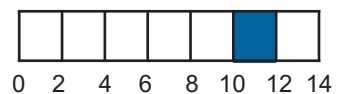

ALWAYS TEST for colour-fastness before use: dip a white cloth in a solution of Traffic Lane Cleaner and rub into a small unobtrusive area of carpet. If any colour comes out of the carpet onto the cloth, do not use. Do not use on materials that must be dry cleaned.

### DILUTION

Traffic Lane Cleaner : Water		
Normal use 1:20	Heavy duty 1:10	Pre-spotting 1:5

pH in use
