

# STAINLESS STEEL POLISH

(HK09750)

## STAINLESS STEEL POLISH

- *Leaves a lasting shine*
- *Non-tainting - suitable for food areas*
- *Spray on, wipe off product*

A ready-to-use stainless steel polish, which leaves a lasting shine and is resistant to finger marks and dirt.

A clear, non-aqueous blend of solvents, cleaners and food grade oils, it is non-tainting and can be used in food and hygiene areas.

Specially designed to shine and polish stainless steel and other bright metals, leaving a protective finish.

---

## DIRECTIONS

Remove gross contamination if necessary. Spray undiluted lightly onto the surface, then wipe immediately with a lint-free cloth or paper.

750ml
